IV. Consideration of Model Legislation

1. “Law Enforcement Officer Safety Equipment Fund Act”- by Mr. Peter Holran, TASER

   The Act establishes a dedicated state law enforcement officer safety equipment fund to assist departments of public safety with the purchase of law enforcement officer safety equipment such as ballistic vests, electronic stun devices, on-officer cameras and surveillance equipment, and other law enforcement officer safety equipment. The Act also establishes an assessment to be levied on every civil penalty or fine imposed and collected by the courts that is a result of a citation issued by a peace officer for a civil traffic violation, a violation of a misdemeanor offense or any local ordinance relating to stopping, standing or operating a vehicle. This assessment will be equally divided between the state law enforcement officer safety equipment fund and the local agency that issues the citation.

   Motion to adopt the model legislation; passed the public sector unanimously; passed the private sector unanimously. Bill Passed.
2. “Criminal Intent Protection Act”- by Mr. Marc Levin, Texas Public Policy Foundation

   To protect persons from unjust punishment under vague or ambiguous criminal offenses by codifying default rules of application for criminal intent (mens rea) requirements within criminal law.

   Motion to adopt the model legislation; passed the public sector unanimously; passed the private sector unanimously. **Bill Passed.**

3. “The Treating Accused Persons Fairly Act”- by Mr. Marc Levin, Texas Public Policy Foundation

   To protect persons from unjust criminal punishment for alleged violations of vague and unclear offenses by codifying the common-law rule of lenity and safeguarding due process rights.

   Motion to adopt the model legislation; passed the public sector unanimously; passed the private sector unanimously. **Bill Passed.**

4. “Civil Liability Relief for Employers Hiring Ex-Offenders Act”- by Mr. Marc Levin, Texas Public Policy Foundation

   This legislation would immunize employers who hire ex-offenders without a violent or sex offense from being sued on that basis alone.

   Motion to adopt the model legislation; passed the public sector unanimously; passed the private sector unanimously. **Bill Passed.**

5. “Legislative Transparency Act”- by Mr. Jason Mercier, The Washington Policy Center

   Transparency and public disclosure in the legislative process is vital to a representative democracy. The purpose of public hearings is to respectfully hear from the public so that citizens are provided the opportunity to comment on proposed changes to state law. This bill requires state legislatures to provide adequate notice before public hearings or votes so that citizens are able to participate in the legislative process in a meaningful way.

   Dual-Referred between Tax and Fiscal Policy Task Force & Public Safety and Elections Task Force.

   Motion to adopt the model legislation as amended in the Tax and Fiscal Policy Task Force; failed the public sector. **Bill Failed.**

   Taxpayers are opposed to state agencies using public funds to influence the Legislature to protect themselves and their employees from meaningful reforms. This bill will restrict taxpayer-lobbying and provide taxpayers with a full account of an agency’s lobbying activities.
Motion to adopt the model legislation; passed the public sector unanimously; passed the private sector unanimously. **Bill Passed.**

7. “ALEC Resolution on DNA Testing and Victims’ Rights” - by Dr. Jeff Boschwitz, *Orchid Cellmark*

   A Resolution supporting states require that all sexual assault kits collected (where the case meets the criteria for CODIS (Combined DNA Index System) eligibility) are tested for DNA.

   Motion to adopt the model resolution; passed the public sector unanimously; passed the private sector unanimously. **Resolution Passed.**

   This Resolution calls for a limit to the practice of shackling pregnant inmates

   “Childbirth Protection Act” – by Ms. Kristi Turner, *Justice Fellowship*

   Relating to use of restraints on pregnant inmates, defendants and detainedes who are in labor, delivering a baby or in post-partum recovery, prohibiting such use except under certain circumstances; and allowing for the presence of medical or infirmary staff during post-partum strip search upon return to prison, jail or detention facility.

   “Resolution Regarding Prison Populations and Redistricting” - by Mr. Sean Parnell, *Center for Competitive Politics*

   This resolution opposes the practice of prison-based gerrymandering and encourages states to count prisoners as members of their pre-incarceration communities for the purposes of redistricting.

   Motion to table the Resolution Supporting Childbirth Protection, Childbirth Protection Act, and Resolution Regarding Prison Populations and Redistricting at the request of the sponsors; passed the public sector unanimously; passed the private sector unanimously. **Bills Tabled.**

V. For the Good of the Order

VI. Adjournment
Summary

This Act prevents health care practitioners from denying care to patients who lawfully own firearms. The Act prevents insurers from charging premium rates or denying coverage simply because a policyholder legally possesses firearms. This Act also ensures that health care practitioners may still obtain information about a patient’s firearm or ammunition-related activity that is directly relevant to that patient’s own treatment.

Legislation

{Title, enacting clause, etc.}

Section 1. {Title}

This Act may be cited as the "Gun Owners’ Privacy and Access to Health Care Act"

Section 2. {Legislative Intent; Findings}

The legislature finds that:

(A) Individuals have a right under the constitutions of [insert state] and the United States to keep and bear arms, which arms include firearms and their ammunition;

(B) An individual’s decision to exercise this right is a private matter;

(C) [Insert state]’s law generally prohibits the keeping of registries or lists of privately-owned firearms [if applicable];

(D) Lawfully possessed, stored, and used firearms and ammunition are not a risk to public health;

(E) Health care practitioners do not have any special expertise in the safe storage or use of firearms or ammunition merely by virtue of their status as health care practitioners, and to the degree health care practitioners have general advice to impart concerning firearms and ammunition, they may do so without knowing whether any particular patient actually possesses or uses these items;

(F) Health care practitioners do not have a need to know whether a patient lawfully possesses or uses firearms or ammunition unless the patient specifically exhibits symptoms of illness or injury that the health care practitioner could reasonably attribute to the possession or use of firearms or ammunition or unless the patient has expressed a desire to harm the patient’s self or others;
(G) Patients should not be compelled to participate in a health care practitioner’s gathering of statistical or demographic information about the use, storage, and possession of firearms and ammunition for research or other purposes not directly related to the patient’s own treatment;

(H) A patient’s decisions about the lawful possession or use of firearms or ammunition or about whether to disclose such decisions is not a proper basis for a health care practitioner to determine who the practitioner will or will not treat; and

(I) Patients have been denied care based on the refusal to answer unwarranted inquiries about constitutionally-protected conduct related to firearms and ammunition, and such denials result in an increase in healthcare costs and delays in access to needed care.

(J) The legislature intends with this Act to ensure that patients may obtain health care free from discrimination based on, or unwarranted inquiry into, constitutionally-protected conduct involving firearms or ammunition and to ensure that health care practitioners may still obtain information about a patient’s firearm or ammunition related activity that is directly relevant to that patient’s own treatment.

Section 3. [Definitions]

(A) “Health care practitioner” has the same meaning as in [cite to state’s broadest definition of health care practitioner or like term].

(B) “Patient” means a person under the care of or who seeks professional services from a health care practitioner.

Section 4. [Prohibited Bases for Refusal to Treat]

Except as provided in section (5), a health care practitioner may not refuse to treat or to accept a referral for treatment of a patient based on:

(A) The lawful ownership, possession, handling, storage, maintenance, or other legal conduct involving firearms or ammunition by the patient or a member of the patient’s household; or

(B) The patient’s -- and if the patient is a minor, the patient’s parent’s or guardian’s -- refusal to disclose such information.

Section 5. [Requirements When Inquiring Into Firearm or Ammunition-Related Activity]

Except as provided in section (6), a health care practitioner who questions a patient -- and if the patient is a minor, who questions the patient’s parent or guardian -- about the ownership, possession, handling, storage, maintenance, or other conduct involving
firearms or ammunition by the patient or a member of the patient’s household shall first do the following:

(A) Inform the patient, parent, or guardian that he or she will be asked about firearms and ammunition;

(B) Inform the patient, parent, or guardian about the purpose of the question;

(C) Inform the patient, parent, or guardian that he or she is not required to answer the question; and

(D) Inform the patient, parent, or guardian that failure to answer the question will not result in refusal or termination of the patient’s treatment with the health care practitioner.

Section 6. {Exceptions}

The requirements of sections (4) and (5) shall not apply if:

(A) The health care practitioner reasonably believes the patient is in immediate possession or control of a firearm or ammunition and poses an imminent threat to the patient’s self or another with such firearm or ammunition;

(B) The patient has brought a firearm or ammunition into an area where such firearm or ammunition is prohibited;

(C) The patient -- and if the patient is a minor, the patient’s parent or guardian -- volunteers information about a firearm or ammunition without being asked about it; or

(D) The health care practitioner reasonably and in good faith believes that disclosure of the requested information is necessary to diagnose or treat a specific illness or injury, but this exception shall not apply to a generalized belief that firearms are harmful to health or safety.

Section 7. {Penalties}

(A) The Agency for Health Care Administration may impose an administrative fine upon a health care practitioner who violates any provision of sections (4) or (5). The fine shall not exceed $5,000 for nonwillful violations nor $10,000 for intentional and willful violations. Each intentional and willful violation constitutes a separate violation and is subject to a separate fine.

(B) An administrative fine may be imposed by the [name appropriate regulatory board], or the department of health if no such board exists, when a health care practitioner violates any provision of sections (4) or (5). The fine shall not exceed $1,000 for nonwillful violations nor $5,000 for willful violations. Each intentional and willful violation constitutes a separate violation and is subject to a separate fine.
(C) A violation of any provision of sections (4) or (4) shall also subject the health care practitioner to appropriate discipline under [cite code sections allowing for professional discipline of health care practitioners].

**Section 8. [Impermissible Grounds for Discrimination in Insurance Contracts]**

(A) A premium rate may not be increased, insurance coverage may not be denied or canceled, and a discount, rebate, or reward that would otherwise be available may not be reduced or withheld under any insurance plan issued pursuant to [cite title or chapter regulating insurance] on the basis of, or on reliance upon, the lawful ownership, possession, use, or storage of a firearm or ammunition by the applicant, the insured, or a member of the applicant’s or insured’s household.

(B) Violation of this section is grounds for disapproval, or withdrawal of an existing approval, of a filing under [cite state statute that requires insurance forms and rating materials to be submitted to state for approval], and a nonconforming policy shall additionally be subject to the provisions of [cite state statute that pertains to validity of non-compliant insurance contracts]. Nothing in this subdivision shall be construed to limit or impair any other remedies available to the applicant or insured in law or in equity.

(C) Nothing in this section shall prevent an insurer from considering the fair market value of firearms or ammunition in the setting of premiums for scheduled personal property coverage or other property coverage for the loss, theft, damage, or destruction of a firearm or ammunition.

**Section 9. [Severability Clause]**

**Section 10. [Repealer Clause]**

Section 6. {Effective Date}
DRAFT Disposition of Firearms in State or Local Custody Act

Summary

This Act requires firearms held in state or local custody to be auctioned off to licensed firearm dealers or manufacturers. In addition, they may destroy or dispose of firearms deemed unsafe for use.

Legislation

{Title, enacting clause, etc.}

Section 1. {Title}

This Act may be cited as the “Disposition of Firearms in State or Local Custody Act.”

Section 2. {Definition of Firearm}

(A) [Citation to state code's broadest definition of "firearm"; if state law generally excludes muzzleloaders or antique firearms from the definition of "firearm", create a more inclusive definition for purposes of this section.]

Section 3. {Disposal of Firearms}

(A) Notwithstanding [citation to any other relevant law governing disposition of forfeited property by the state or its political subdivisions], and subject to the duty to return firearms to innocent owners pursuant to [section on forfeiture; amend that section if necessary to require the return of firearms to innocent owners], all firearms that are forfeited or abandoned to any law enforcement agency of this state or a political subdivision of this state, including the State Department of Game and Inland Fisheries [or equivalent], or that are otherwise acquired by the state or a political subdivision of the state and are no longer needed, shall be disposed of as provided in this section.

(B) Prior to the disposal of any firearm that has been forfeited or abandoned to the state or a political subdivision of the state, the agency with custody of the firearm shall use their best efforts to determine if the firearm has been lost by, stolen, or otherwise unlawfully obtained from an innocent owner, and if so, shall return the firearm to its innocent owner, if ascertainable, unless that person is ineligible to receive or possess a firearm under state or federal law.

(C) Except as provided in subsection (B) or (D), the agency shall dispose of the firearms that it receives under subsection (A) by sale at public auction to persons licensed as firearms collectors, dealers, importers, or manufacturers under the provisions of 18 U.S.C. §§ 921 et seq. [and citation to state law requiring licensing of firearm dealers, if any] and authorized to receive such firearms under the terms of such license.
(1) The auctions required by this subsection may occur online on a rolling basis or
at live events but in no event shall occur less frequently than once every six
months during any time the agency has an inventory of saleable firearms.

(2) The agency shall retain only such proceeds as are necessary to cover the costs
of administering this section, with any surplus to be transferred to the general
fund of the jurisdiction in which the agency is located, provided that an agency
may be reimbursed for any firearms formerly in use by the agency that are sold
under this section.

(3) Employees of the agency shall not be eligible to bid on the firearms at an
auction conducted under this section, and except for the costs of administration
authorized under subdivision (2) of this subsection, neither the agency nor its
employees may retain any proceeds from any sale required by this section, nor
may the agency or its employees retain any firearm required to be sold under this
section.

(D) The requirements of subsection (C) shall not apply to a firearm if no bids from
eligible recipients are received within six months from when bidding opened on the item
or that the chief of police, agency director, or designee of such official certifies is unsafe
for use because of wear, damage, age, or modification. Any such firearm shall at the
discretion of the chief of police, agency director, or designee of such official be
transferred to the state crime laboratory [or equivalent] for training or experimental
purposes or to a museum or historical society that displays such items to the public and is
lawfully eligible to receive the item or be destroyed.

(E) All agencies subject to the provisions of this section shall keep records of the firearms
acquired and disposed of as herein provided, as well as the proceeds of the sales thereof
and the disbursement of such proceeds, and shall maintain these records for not less than
ten (10) years from the date on which a firearm is disposed of or on which a disbursement
of funds is made, as the case may be.

(F) Neither the state nor any political subdivision of the state, nor any of their officers,
agents, and employees, shall be liable to any person, including the purchaser of a firearm,
for personal injuries or damage to property arising from the sale of a firearm under
subsection (C) of this section, unless the state or political subdivision acted with gross
negligence or recklessness.

Section 4. {Severability Clause}

Section 5. {Repealer Clause}

Section 6. {Effective Date}
Mr. Lee McGrath, Institute for Justice, proposes to repeal and replace the ALEC Comprehensive Asset Forfeiture Act by striking the following:

**Comprehensive Asset Forfeiture Act**

**Summary**

Over the past two decades, federal, state, and local law enforcement agents have relied increasingly on asset forfeiture law “to take the profits out of crime.” Forfeiture has been an effective tool in the war on crime, but it has also led to corruption and abuse and to many innocent owners losing their property in the name of fighting crime. Those abuses have resulted in substantial media attention and have led many to take a closer look at this body of law, especially since its principles and practices are so foreign to the rule of law and the American system of justice.

Reforming ALEC’s existing model bill on asset forfeiture to include common sense protections that are vital to provide American citizens the protection that is guaranteed under our Constitution will help prevent future abuses of a system that law enforcement needs in its efforts to fight this country’s war on drugs.

**Model Legislation**

(Title, enacting clause, etc.)

Section 1. (Title.) This Act may be cited as the Comprehensive Asset Forfeiture Act.

Section 2. (Creation of General Rules Relating to Civil Forfeiture Proceedings.)

(a) (1) In any nonjudicial civil forfeiture proceeding under a civil forfeiture statute, with respect to which the agency conducting a seizure of property must give written notice to interested parties, such notice shall be given as soon as practicable and in no case more than 60 days after the later of the date of the seizure or the date the identity of the interested party is first known or discovered by the agency, except that the court may extend the period for filing a notice for good cause shown.

(2) A person entitled to written notice in such proceeding to whom written notice is not given may on motion void the forfeiture with respect to that person’s interest in the property, unless the agency shows—

(i) good cause for the failure to give notice to that person; or

(ii) that the person otherwise had actual notice of the seizure.
(3) If the Government does not provide notice of a seizure of property in accordance with subparagraph (a)(1), it shall return the property and may not take any further action to effect the forfeiture of such property.

(b)(1) Any person claiming property seized in a nonjudicial forfeiture proceeding may file a claim with the appropriate official after the seizure:

(2) A claim under subparagraph (a)(1) may not be filed later than 30 days after—

(i) the date of final publication of notice of seizure; or

(ii) in the case of a person entitled to written notice, the date that notice is received.

(3) The claim shall state the claimant's interest in the property.

(4) Not later than 90 days after a claim has been filed, the Attorney General shall file a complaint for forfeiture in the appropriate court or return the property, except that a court in the district in which the complaint will be filed may extend the period for filing a complaint for good cause shown or upon agreement of the parties.

(5) If the Government does not file a complaint for forfeiture of property in accordance with subparagraph (b)(4), it shall return the property and may not take any further action to effect the forfeiture of such property.

(6) Any person may bring a claim under subparagraph (a)(1) without posting bond with respect to the property that is the subject of the claim.

(c)(1) In any case where the Government files in the appropriate State district court a complaint for forfeiture of property, any person claiming an interest in the seized property may file a claim asserting such person's interest in the property within 30 days of service of the Government's complaint or, where applicable, within 30 days of alternative publication notice.

(2) A person asserting an interest in seized property in accordance with subparagraph (a)(1) shall file an answer to the Government's complaint for forfeiture within 20 days of the filing of the claim.

(d)(1) If the person filing a claim is financially unable to obtain representation by counsel, the court may appoint counsel to represent that person with respect to the claim.

(2) In determining whether to appoint counsel to represent the person filing the claim, the court shall take into account such factors as—
(i) the claimant's standing to contest the forfeiture; and

(ii) whether the claim appears to be made in good faith or to be frivolous.

(3) The court shall set the compensation for that representation, which shall be equivalent to that provided for other court-appointed representation under state law.

(e) In all suits or actions brought under any civil forfeiture statute for the civil forfeiture of any property, the burden of proof is on the State Government to establish, by clear and convincing evidence, that the property is subject to forfeiture.

(f)(1) An innocent owner's interest in property shall not be forfeited under any civil forfeiture statute:

(2) With respect to a property interest in existence at the time the illegal conduct giving rise to forfeiture took place, the term ‘innocent owner’ means an owner who—

(i) did not know of the conduct giving rise to forfeiture; or

(ii) upon learning of the conduct giving rise to the forfeiture, did all that reasonably could be expected under the circumstances to terminate such use of the property.

(3) With respect to a property interest acquired after the conduct giving rise to the forfeiture has taken place, the term ‘innocent owner’ means a person who, at the time that person acquired the interest in the property, was—

(i)(I) a bona fide purchaser or seller for value (including a purchaser or seller of goods or services for value); or

(II) a person who acquired an interest in property through probate or inheritance; and

(ii) at the time of the purchase or acquisition reasonably without cause to believe that the property was subject to forfeiture.

(4) Where the property subject to forfeiture is real property, and the claimant uses the property as the claimant's primary residence and is the spouse or minor child of the person who committed the offense giving rise to the forfeiture, an otherwise valid innocent owner claim shall not be denied on the ground that the claimant acquired the interest in the property—
(i) in the case of a spouse, through dissolution of marriage or by operation of law; or

(ii) in the case of a minor child, as an inheritance upon the death of a parent, and not through a purchase. However, the claimant must establish, in accordance with subparagraph (e)(3), that at the time of the acquisition of the property interest, the claimant was reasonably without cause to believe that the property was subject to forfeiture.

(g) For the purposes of paragraph (f)—

(1) ways in which a person may show that such person did all that reasonably can be expected may include demonstrating that such person, to the extent permitted by law—

(i) gave timely notice to an appropriate law enforcement agency of information that led the person to know the conduct giving rise to a forfeiture would occur or has occurred; and

(ii) in a timely fashion revoked or attempted to revoke permission for those engaging in such conduct to use the property or took reasonable actions in consultation with a law enforcement agency to discourage or prevent the illegal use of the property; and

(2) in order to do all that can reasonably be expected, a person is not required to take steps that the person reasonably believes would be likely to subject any person (other than the person whose conduct gave rise to the forfeiture) to physical danger.

(h) As used in this subsection:

(1) The term "civil forfeiture statute" means any provision of State law providing for the forfeiture of property other than as a sentence imposed upon conviction of a criminal offense.

(2) The term "owner" means a person with an ownership interest in the specific property sought to be forfeited, including a leasehold, lien, mortgage, recorded security device, or valid assignment of an ownership interest. Such term does not include—

(i) a person with only a general unsecured interest in, or claim against, the property or estate of another;

(ii) a bailee unless the bailor is identified and the bailee shows a colorable legitimate interest in the property seized; or
A claimant under subsection (h) is entitled to immediate release of seized property if—

(i) the claimant has a possessory interest in the property;

(ii) the continued possession by the State Government pending the final disposition of forfeiture proceedings will cause substantial hardship to the claimant, such as preventing the functioning of a business, preventing an individual from working, or leaving an individual homeless; and

(iii) the claimant's likely hardship from the continued possession by the State Government of the seized property outweighs the risk that the property will be destroyed, damaged, lost, concealed, or transferred if it is returned to the claimant during the pendency of the proceeding.

(2) A claimant seeking release of property under this subsection must request possession of the property from the appropriate official, and the request must set forth the basis on which the requirements of paragraph (i)(1) are met.

(3) If within 10 days after the date of the request the property has not been released, the claimant may file a motion or complaint in any district court that would have jurisdiction of forfeiture proceedings relating to the property setting forth—

(i) the basis on which the requirements of paragraph (i)(1) are met; and

(ii) the steps the claimant has taken to secure release of the property from the appropriate official.

(4) If a motion or complaint is filed under paragraph (i)(3), the district court shall order that the property be returned to the claimant, pending completion of proceedings by the State Government to obtain forfeiture of the property, if the claimant shows that the requirements of paragraph (i)(1) have been met. The court may place such conditions on release of the property as it finds are appropriate to preserve the availability of the property or its equivalent for forfeiture.

(5) The district court shall render a decision on a motion or complaint filed under paragraph (i)(3) no later than 30 days after the date of the filing, unless such 30-day limitation is extended by consent of the parties or by the court for good cause shown.

Section 3. {Compensation for Damage to Seized Property.}
(a) The State shall be liable for real costs of any claim based on the destruction, injury, or loss of goods, merchandise, or other property, while in the possession of any officer of [customs or] excise or any other law enforcement officer, if the property was seized for the purpose of forfeiture under any provision of State law providing for the forfeiture of property other than as a sentence imposed upon conviction of a criminal offense but the interest of the claimant is not forfeited'.

(b) The Attorney General may settle, for not more than $50,000 in any case, a claim for damage to, or loss of, privately owned property caused by an investigative or law enforcement officer who is employed by the State and acting within the scope of his or her employment.

(2) LIMITATIONS—The Attorney General may not pay a claim under paragraph (1) that-

(A) is presented to the Attorney General more than 1 year after it occurs; or

(B) is presented by an officer or employee of the United States Government and arose within the scope of employment.

Section 4. {Pre-Judgment and Post-Judgment Interest.}

(a) INTEREST—

(1) POST-JUDGMENT—Upon entry of judgment for the claimant in any proceeding to condemn or forfeit property seized or arrested under any provision of State law providing for the forfeiture of property other than as a sentence imposed upon conviction of a criminal offense, the State shall be liable for post-judgment interest as would have been earned in accordance with current interest rates.

(2) PRE-JUDGMENT—The State shall not be liable for pre-judgment interest in a proceeding under any provision of State law providing for the forfeiture of property other than as a sentence imposed upon conviction of a criminal offense, except that in cases involving currency, other negotiable instruments, or the proceeds of an interlocutory sale, the State shall disgorge to the claimant any funds representing--

(i) interest actually paid to the State from the date of seizure or arrest of the property that resulted from the investment of the property in an interest-bearing account or instrument; and
(ii) for any period during which no interest is actually paid, an imputed amount of interest that such currency, instruments, or proceeds would have earned in accordance with the current interest rate.

(3) LIMITATION ON OTHER PAYMENTS - The State shall not be required to disgorge the value of any intangible benefits in a proceeding under any provision of State law providing for the forfeiture of property other than as a sentence imposed upon conviction of a criminal offense nor make any other payments to the claimant not specifically authorized by this subsection.

Section 5. {Forfeiture of Property for Commission of Criminal Offense - Procedure Disposition.}

(a) Money, real property, vehicles and other conveyances, or tangible and intangible personal property of any kind that is used in connection with the commission of a criminal offense provided for in the {name of state} statutes is not subject or forfeiture unless it is owned by a person convicted of a criminal offense, it is ordered forfeited as part of the sentence imposed upon conviction, and a section of {name of state} law specifically provides for forfeiture as part of the sentence imposed upon conviction. A civil forfeiture proceeding may not be used to proceed against property suspected of being used in connection with the commission of a criminal offense.

(b) Unless another section of {name of state} statute specifically provides a procedure for disposition of property forfeited as part of the sentence imposed upon conviction of a criminal offense specified in that section, the forfeited property must be disposed of as provided in this section.

(c) The sheriff shall seize the forfeited property within ten (10) days after the conviction.

(d) Forfeiture of property encumbered by a security interest is subject to the secured person’s interest if the secured person did not know and could not have reasonably know of the unlawful possession, use, or other act in connection with the commission of the crime.

(e) If proper proof of a security interest is presented to the sheriff, the sheriff shall release the property to the secured person if the amount due to the person is equal to or greater than the value of the property.

(f) Property not released to a secured person under subsection (e) must, except as provided in subsection (g), be sold by the sheriff at a public auction in the same manner as provided by law for the sale of property under execution. The property may not be sold to an officer or employee of a law enforcement agency. The proceeds of the sale must be distributed first to a secured person who has presented proper proof of the security
interest to the sheriff, and any remaining proceeds must be used to [insert appropriate action].

(g) Property that is unlawful to produce or possess must be destroyed by the sheriff if it cannot be sold to a person or entity that can lawfully possess it.

Section 6. {Applicability.}

(a) IN GENERAL—Unless otherwise specified in this Act, this Act will apply with respect to claims, suits, and actions filed on or after the date of the enactment of this Act.

(b) EXCEPTIONS—

(1) The standard for the required burden of proof set forth in section 2, shall apply in cases pending on the date of the enactment of this Act.

(2) The amendment made by section 4 shall apply to any judgment entered after the date of the enactment of this Act.

Section 7. {Severability Clause}

Section 8. {Repealer Clause}

Asset Forfeiture Process and Private Property Protection Act

To replace “ALEC Comprehensive Asset Forfeiture Act” (2000)

Summary

Civil forfeiture laws represent one of the most serious assaults on private property rights in the nation today. Under civil forfeiture, police and prosecutors can seize your car or other property, sell it and use the proceeds to fund agency budgets—often without so much as charging you with a crime. This model improves and expands upon ALEC’s “Comprehensive Asset Forfeiture Act” (2000). The “Asset Forfeiture Process and Private Property Protection Act” protects individual liberty and property rights by standardizing forfeitures across all crimes, simplifying procedures, and addressing counterproductive incentives in the law that distort policing priorities. Importantly, this model does not change the authority of law enforcement to seize property suspected of being associated with crime or limit in any way prosecutors’ ability to charge and prosecute suspected criminals. Moreover, it ensures that those individuals proven guilty of a crime do not keep the fruits of their crime. In doing so, it strikes the right balance between the individual property rights and public safety.

Section 10. {Authorization to Use Forfeiture}

(A) Except for federal forfeitures consistent with section 39, forfeiture may occur only pursuant to an explicit grant of authority in State law. An ordinance enacted by a county, municipality, or other unit of government authorizing forfeiture is not valid.

PROCESS

Section 15. {Designating Property Subject to Forfeiture}

(A) Property subject to forfeiture must be identified by the State in an indictment of a
grand jury or by information in the court in any related criminal proceeding in which a
person with an interest in the property has been simultaneously charged with a violation
of a law subject to forfeiture.

(B) The indictment or information must specify the time and place of the violation,
identify the property, and particularly describe its use in the commission of the crime or
derivation from the commission of the crime.

(C) At any time prior to trial, the State, with the consent of the court and any defendant
with an interest in the property, may file an ancillary charge alleging that property is
subject to forfeiture.

Section 16. {Seizure with Process}

(A) At the request of the State, a court may issue an ex parte preliminary order to seize or
secure property for which forfeiture is sought and to provide for its custody. Application, issuance, execution, and return are subject to State law.

Section 17. {Seizure without Process}

(A) Property subject to forfeiture may be seized without a court order if:

   (1) the seizure is incident to a lawful arrest or a lawful search;

   (2) the property subject to seizure has been the subject of a prior judgment in
favor of the State; or

   (3) the State has probable cause to believe that the delay occasioned by the
necessity to obtain process would result in the removal or destruction of the
property and that the property is forfeitable under section 5.

Section 18. {Receipt for Seized Property}

(A) When property is seized, the law enforcement officer shall give an itemized receipt to
the person in possession of the property; or in the absence of any person, leave a receipt
in the place where the property was found, if reasonably possible.

Section 19. {Bill of Particulars}
(A) A motion for a bill of particulars may be made before arraignment, within 90 days after arraignment, or at any later time that the court permits. A bill of particulars may be amended at any time subject to conditions that justice requires.

Section 20. {Title}

(A) At the time of seizure or entry of a restraining order, the State acquires provisional title to the seized property. Provisional title authorizes the State to hold and protect the property.

(B) Title to the property vests with the State when the trier of fact renders a final forfeiture verdict and relates back to the time when the State acquired provisional title. However, this title is subject to claims by third parties adjudicated under this chapter.

Section 21. {Storage}

(A) When property is seized, the State shall use reasonable diligence to secure the property and prevent waste.

Section 22. {Records}

(A) A State entity having custody of seized property that is subject to forfeiture shall maintain the following records:

(1) the exact kinds, quantities, and forms of the property;

(2) the date and from whom it received the property;

(3) the violation of law that subjected the property to seizure;

(4) the liens against the seized property;

(5) the make, model, and serial number of each seized firearm;

(6) to whom and when the notice of forfeiture was given;

(7) to whom it delivered the property; and

(8) the date and manner of destruction or disposition of the property.

(B) The records required under paragraph (A) are subject to the State’s freedom of information act.

Section 23. {Bond by Owner for Possession}

(A) If the owner of property that has been seized seeks its possession before the criminal trial, the owner may post bond or give substitute property in an amount equal to the fair
market value of the seized property at the time the bond amount is determined.

(B) On the posting of bond or the giving of substitute property, the State shall return the seized property to the owner within a reasonable period of time not to exceed 3 business days. The forfeiture action may then proceed against the bond or substitute property as if it were the seized property.

(C) This section does not apply to property reasonably held for investigatory purposes.

Section 24. {Petition for Remission or Mitigation}

(A) Prior to the entry of a court’s order disposing of the forfeiture action, any person who has an interest in seized property may file with the state’s attorney general a petition for remission or mitigation of the forfeiture. The attorney general shall remit or mitigate the forfeiture upon terms and conditions the attorney general deems reasonable if the attorney general finds that:

1. the petitioner did not intend to violate the law or
2. extenuating circumstances justify the remission or mitigation of the forfeiture.

Section 25. {Pretrial Replevin Hearing}

(A) Following the seizure of property under this chapter, a defendant or third-party has a right to a pretrial hearing to determine the validity of the seizure.

(B) The claimant may claim at any time prior to 60 days before trial of the related criminal violation the right to possession of property by motion to the court to issue a writ of replevin.

(C) The claimant shall file a motion establishing the validity of the alleged right, title, or interest in the property.

(D) The court shall hear the motion no more than 30 days after the motion is filed.

(E) The State shall file an answer showing probable cause for the seizure, or cross-motions at least 10 days before the hearing.

(F) The court shall grant the motion if it finds that (1) it is likely the final judgment will be that the State must return the property to the claimant or (2) the property is the only reasonable means for a defendant to pay for legal representation in the forfeiture or criminal proceeding.

(G) In lieu of ordering the issuance of the writ, the court may order the State to give security for satisfaction of any judgment, including damages, that may be rendered in the action, or order other relief as may be just.
Section 26. {Discovery}

(A) Discovery is subject to the rules of criminal procedure.

Section 27. {Right to Trial by Jury}

(A) Any party to a forfeiture action has a right to trial by jury.

Section 28. {Trial Proceedings}

(A) A trial related to the forfeiture of property must be held in a single proceeding together with the trial of the related alleged crime unless the defendant moves to bifurcate the trial.

(B) The court, upon motion of a defendant, shall separate the trial of the criminal matter against the defendant from the matter related to the forfeiture of property.

(C) The court, upon motion of a defendant, shall allow a defendant to waive the right to trial by jury related to the forfeiture of property while preserving the right to trial by jury of any crime alleged.

(D) If the court bifurcates the jury trial, the court shall first instruct and submit to the jury the issue of the guilt or innocence of the defendant to be determined by proof beyond a reasonable doubt and shall restrict argument of counsel to those issues.

(E) If the court bifurcates the jury trial, each party may introduce evidence in the forfeiture phase that was not introduced in the criminal phase.

(F) If the court bifurcates the jury trial, the court shall first instruct and submit to the jury the issue of the forfeiture. The court may use interrogatories to address the forfeiture issue.

Section 29. {Proportionality}

(A) Following determination by the trier of fact, the owner may petition the court to determine whether the forfeiture is unconstitutionally excessive under the State or U.S. constitution.

(B) The owner has the burden of establishing that the forfeiture is grossly disproportional to the seriousness of the offense by a preponderance of the evidence at a hearing conducted by the court without a jury.

(C) In determining whether the forfeiture of an instrumentality is constitutionally excessive, the court shall consider all relevant factors, including, but not limited to:
(1) the seriousness of the offense and its impact on the community, including
the duration of the activity and the harm caused by the person whose property
is subject to forfeiture;

(2) the extent to which the person whose property is subject to forfeiture
participated in the offense;

(3) the extent to which the property was used in committing the offense;

(4) the sentence imposed for committing the crime subject to forfeiture; and

(5) whether the offense was completed or attempted.

(D) In determining the value of the instrumentality subject to forfeiture, the court shall
consider relevant factors, including, but not limited to:

(1) the fair market value of the property;

(2) the value of the property to the person whose property is subject to
forfeiture including hardship to the owner if the forfeiture is realized; and

(3) the hardship from the loss of a motor vehicle or other property to family
members or others if the property is forfeited assets.

(e) The court may not consider the value of the instrumentality to the State in determining
whether the forfeiture of an instrumentality is constitutionally excessive.

THIRD-PARTY INTERESTS

Section 30. {Secured Interest}

(A) A bona fide security interest is not subject to forfeiture unless the person claiming a
security interest had actual knowledge that the property was subject to forfeiture at the
time of the property was seized or restrained under this chapter.

(B) A person claiming a security interest bears the burden of establishing that the validity
of the interest by a preponderance of the evidence.

Section 31. {Ancillary Hearing of Third-Party Interests}

(A) A person not charged in the indictment or information but who has an interest in
property subject to forfeiture may not intervene after the criminal trial has begun.

(B) Following the entry of a verdict of forfeiture of property pursuant to this chapter or
the entry of a guilty plea in court on the record, the State shall exercise reasonable
diligence to identify persons with a potential interest in the property and make reasonable
efforts to give notice to potential claimants. The State shall provide written notice of its
intent to dispose of the property to any person known or alleged to have an interest in the property exempted from forfeiture under this chapter, including any person potentially making claims for

(1) court-ordered child support,

(2) employment-related compensation or

(3) payment of unsecured debts. The notice must also be made by publication in a reasonable geographic area.

(C) A person other than the defendant asserting a legal interest in the property, within 60 days of the date of the notice, may petition the court for a hearing to adjudicate the validity of the alleged interest in the property. The request for the hearing must be signed by the petitioner under penalty of perjury and state the nature and extent of the petitioner’s right, title, or interest in the property; the time and circumstances of the petitioner’s acquisition of the right, title, or interest; and any additional facts supporting the petitioner’s claim and the relief sought.

(D) Upon the filing of a petition, the court shall schedule the hearing as soon as practicable but in no event later than 6 months after the sentencing of any defendant convicted upon the same indictment. The court shall issue or amend a final order of forfeiture in accordance with its determination if, after the hearing, the court determines that:

(1) the petitioner has a legal right, title, or interest in the property, and such right, title or interest renders the order of forfeiture invalid in whole or in part because the right, title or interest was vested in the petitioner rather the defendant or was superior to any right, title or interest of the defendant at the time of the property was seized or restrained under this chapter; or

(2) the petitioner is a bona fide purchaser for value of the right, title, or interest in the property and was at the time of purchase without cause to believe that the property was subject to forfeiture under this chapter. The State has the burden of proof with respect to the issue of whether the petitioner was without cause to believe that the property was subject to forfeiture at the time of purchase or other acquisition of value.

(E) A qualified indigent who wishes to contest the forfeiture of property and appears to have an exempt interest has a right to court-appointed counsel as provided in section 9. In addition, the court shall waive the person’s court fees.

Section 32. {Innocent Partial or Joint Owner}

(A) The property of an innocent partial or joint owner may not be forfeited under any forfeiture statute. The process for determining whether a person is an innocent partial or joint owner is set out in this section.
(B) A person who has any form of partial or joint interest, including joint tenancy, tenancy in common, or tenancy by the entirety, in property subject to forfeiture existing at the time the illegal conduct giving rise to forfeiture occurred and who claims to be an innocent partial or joint owner shall make a prima facie case that the person has a legal right, title, or interest in the property seized or restrained under this chapter.

(C) If paragraph (B) is satisfied and the State seeks to proceed with the forfeiture against the person’s ownership interest, the State shall prove by a preponderance of the evidence that the person had actual knowledge of the underlying crime giving rise to the forfeiture or was willfully blind to its commission.

(D) If paragraph (C) is satisfied and the person seeks to establish the person’s innocent owner status, the person shall show by a preponderance of the evidence that the person did all that reasonably could be expected under the circumstances to prohibit, abate, or terminate the illegal use of the property. The person may show that the person did all that reasonably could be expected by demonstrating, among other things, that the person, to the extent permitted by law:

(1) gave timely notice to an appropriate law enforcement agency of information that led the person to know the conduct giving rise to a forfeiture would occur or had occurred; or

(2) in a timely fashion revoked or made a good-faith attempt to revoke permission for those engaging in the illegal conduct to use the property or took reasonable actions in consultation with a law enforcement agency to discourage or prevent the illegal use of the property.

(3) A person is not required under this paragraph to take steps that the person reasonably believes would be likely to subject the person to physical danger.

(E) If paragraph (D) is satisfied, the court shall find that the claimant was not a party to the crime and is an innocent partial or joint owner.

(F) A person who acquired an ownership interest in property after the commission of a crime giving rise to the forfeiture has occurred and who claims to be an innocent partial or joint owner, shall make a prima facie case that the person legal right, title, or interest in the property seized or restrained under this chapter.

(G) If paragraph (F) is satisfied and the State seeks to proceed with the forfeiture against the person’s ownership interest, the State shall prove by a preponderance of the evidence that at the time the person acquired the property interest the person had actual knowledge that the property was subject to forfeiture or was willfully blind to the commission of the crime that subjected the property to forfeiture.

(H) If the State fails to meet its burden in paragraph (G), the court shall find that the person was not a party to the crime and is an innocent partial or joint owner.
(I) An otherwise valid claim under paragraph (F) may not be denied on the grounds that
the person gave nothing of value in exchange for the property if:

(1) the property is the person’s primary residence;

(2) depriving the person of the property would deprive the person of the means to
maintain reasonable shelter in the community for the person and all dependents
residing with the person;

(3) the property is not, and is not traceable to, the proceeds of any criminal
offense; and

(4) the person acquired interest in the property through marriage, divorce, or legal
separation, or the person was the spouse or legal dependent of someone whose
death resulted in the transfer of the property to the person through inheritance or
probate, except that the court shall limit the value of any real property interest for
which innocent ownership is recognized under this paragraph to the value
necessary to maintain reasonable shelter in the community for the person and all
dependents residing with the person.

(J) If the innocent joint or partial owner’s claim is established under this section, the State
shall relinquish all claims of title to the property that may have vested with it.

(K) If the court determines that an innocent joint or partial owner has any form of partial
or joint interest in a conveyance subject to forfeiture related to operating a conveyance
while impaired, the court may order that the innocent joint or partial owner participate in
the ignition interlock device program under State law as a condition of ordering the
device be returned to the innocent owner.

(L) If the court determines that an innocent joint or partial owner has any form of partial
or joint interest in property, other than property described in paragraph (K), the court
shall enter an appropriate order reflecting the innocent owner’s preference for:

(1) severing the property;

(2) transferring the property to the State with a provision that the State
compensate the innocent owner to the extent of the owner’s ownership interest
once a final order of forfeiture has been entered and the property has been reduced
to liquid assets; or

(3) permitting the innocent owner to retain the property subject to a lien in favor
of the State to the extent of the forfeitable interest in the property.

**POSTFORFEITURE**

Section 33. {Sale of Property}
(A) If a trier of fact finds that property is to be forfeited, the court shall order the State to:

(1) return stolen property to its owner;

(2) sell all other firearms, ammunition and firearm accessories to licensed firearms dealers in a commercially reasonable manner; and

(3) sell other property in a commercially reasonable manner.

Section 34. {Prohibition on Retaining Property; Sale Restrictions}

(A) The law enforcement agency that seized property forfeited under this chapter may not retain it for its own use or sell it directly or indirectly to any employee of the agency, to a person related to an employee by blood or marriage, or to another law enforcement agency.

Section 35. {Disposition of Proceeds}

(A) Proceeds seized and proceeds from the sale of forfeited assets may be distributed only following a court order. The court shall order the funds be used to pay, in order of priority, for the following purposes:

(1) storage and sale expenses;

(2) satisfaction of valid liens against the property;

(3) restitution ordered to the victim of the criminal offense;

(4) reimbursement of investigation costs excluding salaries that the law enforcement agency incurred in the seizure of the assets subject to the forfeiture action;

(5) court-ordered child support obligations;

(6) claims for compensation by the defendant’s employees; and

(7) claims for compensation by defendant’s unsecured creditors.

(B) All remaining funds must be deposited into the State’s treasury and credited to the general fund.

Section 36. {Reporting}

(A) For each forfeiture action occurring in the State regardless of the authority for it, the participating law enforcement agency and prosecutor shall provide a written record of the forfeiture incident to the State reporting agency.
(B) The record must include the amount forfeited, the underlying crime or conduct, its date, and whether the property had a lien against it. The record must also list the number of firearms forfeited and the make, model, and serial number of each firearm forfeited. The record must indicate how the property was disposed.

(C) The law enforcement agency and the prosecutor shall report to the State reporting agency all instances in which property seized for forfeiture is returned to its owner either because forfeiture is not pursued or for any other reason.

(D) For forfeitures resulting from the activities of multi-jurisdictional law enforcement entities, each entity on its own behalf shall report the information required in this section.

(E) The State reporting agency may require information not specified in this section to be reported as well.

(F) Reports must be made on a monthly basis in a manner prescribed by the State reporting agency.

(G) The State reporting agency shall report annually to the legislature and the public on the nature and extent of forfeitures.

(H) The State reporting agency shall include in its report required under paragraph (G) recommended changes to forfeiture law to better ensure that forfeiture proceedings are handled in a manner that is fair to innocent property owners, secured interest holders, citizens, and taxpayers.

(I) The State reporting agency shall include in its report required under paragraph (G) information on law enforcement agencies and prosecutorial offices not in compliance with this section and shall order the State to withhold payment of any funds to those agencies and offices until compliance is achieved.

MISCELLANEOUS PROVISIONS

Section 37. {Return of Property, Damages, and Costs}

(A) The State shall return property to the owner within a reasonable period of time not to exceed 3 business days after a court finds that:

(1) the owner had a bona fide security interest;

(2) the owner was an innocent owner;

(3) charges against the owner were dismissed; or

(4) the owner was found not guilty of the criminal charge that is the basis for the forfeiture action.
(B) If property returned under paragraph (A) has been damaged, the owner may make a claim in small claims court or court for the damages to the seized property against the agency that seized the property.

(C) The State is responsible for any storage fees and related costs applicable to property returned under paragraph (A).

Section 38. {Penalty for Violations}

(A) Any person acting under color of law, official title, or position who takes any action intending to conceal, transfer, withhold, retain, divert, or otherwise prevent any proceeds, conveyances, real property, or any things of value forfeited under the law of the State or the United States from being applied, deposited, used, or returned to the owner in accordance with this chapter is subject to a civil penalty in an amount of three times the value of the forfeited property concealed, transferred, withheld, retained, or diverted.

(B) Any taxpayer to the State has standing to challenge in court any action contrary to this Act.

Section 39. {Interaction with Federal Government}

(A) No unit of State government may transfer a criminal investigation or proceeding to the federal government to circumvent State forfeiture law.

(B) For a State government unit to transfer a criminal investigation or proceeding that includes forfeiture to the federal government, a State court shall affirmatively find that:

(1) the suspected criminal activity giving rise to the forfeiture is interstate in nature and sufficiently complex to justify the transfer; or

(2) the seized property is forfeitable only as a violation of federal law.

(C) All funds paid by the federal government must be deposited into the State’s treasury. The State shall credit:

(1) the State government unit involved with the federal government sufficiently to reimburse it for investigation costs, excluding salaries, that the State government unit incurred related to the seizure of the assets subject to the forfeiture action and

(2) the remainder to the general fund.

(D) No unit of State government may accept from the federal government any instrumentality or payment of proceeds not permitted by paragraph (C).

(E) The State government unit shall report all transfers to the federal government of an investigation or criminal proceeding that involves forfeiture per the reporting requirements in section 36.
(F) Any taxpayer has standing to challenge in court the receipt of any proceeds or instrumentality by a State government unit from the federal government contrary to paragraphs (C) and (D).

Section 40. {Attorneys’ Fees}

(A) In any forfeiture proceeding under this chapter in which the claimant prevails, the State is liable for:

(1) reasonable attorney fees and other litigation costs reasonably incurred by the claimant;

(2) postjudgment interest; and

(3) in cases involving currency, other negotiable instruments, or the proceeds of an interlocutory sale:

   (a) interest actually paid to the State from the date of seizure of the property that resulted from the investment of the property in an interest-bearing account or instrument; and

   (b) an imputed amount of interest that the currency, instruments, or proceeds would have earned at the rate applicable to the 30-day U.S. Treasury Bill, for any period during which no interest was paid (not including any period when the property reasonably was in use as evidence in an official proceeding or in conducting scientific tests for the purpose of collecting evidence), commencing 15 days after the property was seized by a law enforcement agency.

(1) A description of the wrongful conduct and harms that the legislative measure is intended to address, including a description of the inadequacies of existing law to address the wrongful conduct and harms;

(2) A description of the elements of the new criminal offense, or a description of the new, amended, or additional elements of an existing crime, and a description of how each of the criminal offense’s mens rea or criminal-intent requirement in the crime should be interpreted and applied to each element of the crime;

DRAFT Resolution in Support of Appropriate Disclosure Requirements

Summary

This Resolution recognizes that disclosure requirements regarding contributions to candidates, political parties, and political action committees (PACs) should only apply to large, and not small, contributions. This Resolution also recognizes that disclosure requirements should not apply to trade and professional associations and nonprofit organizations that do not primarily attempt to influence elections.

Model Resolution

WHEREAS, appropriate, meaningful disclosure requirements on large contributions to candidates, political parties, and political action committees (PACs) allow the public and the press to monitor elected officials and the government; and

WHEREAS, because small contributions pose no threat of corruption to the political process or undue influence, disclosure of small contributions provides little meaningful information to voters regarding interests supporting candidates; and

WHEREAS, disclosure of contributor information can make individuals vulnerable to harassment, intimidation, and retribution from those who disagree with a person’s position on an issue; and

WHEREAS, disclosure of contributor information enables candidates, interest groups, and the media to focus on trying to associate political opponents with unpopular persons and groups rather than engaging in substantive debates or reporting on the relative strengths of differing ideological and policy positions; and

WHEREAS, when disclosure requirements are extended to trade and professional associations and nonprofit organizations not primarily engaged in election-related speech, they are both an affront to the right to private association and a danger to members and donors; and

WHEREAS, compelled disclosure of members and donors to organizations that are not primarily engaged in election-related speech misleads the public by incorrectly identifying persons responsible for funding political ads; and

WHEREAS, burdensome disclosure requirements negatively impact underfunded campaigns and inexperienced candidates who lack the financial and compliance resources necessary to abide by onerous filing and reporting conditions; and

WHEREAS, a reasonable disclosure threshold permits the public to see who is making substantial contributions to elected officials while avoiding unnecessary disclosure that would violate the privacy of citizens, in order to reveal contributions that pose no threat of corruption or undue influence; and
THEREFORE, BE IT RESOLVED that the American Legislative Exchange Council (ALEC), for the reasons above, opposes efforts at the federal, state, and local level that would extend beyond requiring disclosure of large contributions to candidates, political parties, and PACs to mandate excessive disclosure of small political donations to those entities.

BE IT FURTHER RESOLVED that disclosure requirements should not apply to trade and professional associations and nonprofit organizations that do not primarily attempt to influence elections.
ALEC affirms that transparency and public disclosure in the legislative process is vital to a representative democracy. With one of the fundamental goals of public hearings being to respectfully hear from the public so that citizens are provided the opportunity to comment on proposed changes to state law, lawmakers should strive to provide adequate notice before public hearings or votes occur so that citizens are able to participate in the legislative process in a meaningful way.

**Guiding principles of legislative transparency**

The fundamental principles presented here provide guidance for a transparent legislative process to help inform the debate while providing citizens the opportunity to be heard on the laws that will impact their lives.

- **Details of bills should be publicly available before legislative action** – Before a legislative committee or body of the Legislature takes action on legislation, the details being considered should be made publicly available with as much advance notice as possible. Preferably at least seventy-two hours notice of bill details and planned legislative action should be provided.

- **Bills should receive a public hearing before legislative action is taken** – To help ensure adequate public debate, legislative actions should not take place on bills until the version being acted on has been subject to a public hearing that was scheduled with adequate public notice.

- **Final passage of bills should be delayed until adequate time has been provided for public review** – Before a body of the Legislature takes action on a bill for final passage, the details should be made available to lawmakers and the public for at least twenty-four hours beforehand.

- **Bills should not combine unrelated subjects or utilize placeholder titles** – Lawmakers should keep bills focused on germane topics and not utilize blank or placeholder titles that deprive the public from knowing the full details of a proposal until after the opportunity for public hearing and comment has occurred. The public should be provided the opportunity to comment on the actual proposed language and details to be considered.

Mission Statement

The American Legislative Exchange Council’s mission is…

To advance the Jeffersonian Principles of free markets, limited government, federalism, and individual liberty through a nonpartisan public-private partnership among America’s state legislators, concerned members of the private sector, the federal government, and the general public.

To promote these principles by developing policies that ensure the powers of government are derived from, and assigned to, first the People, then the States, and finally the Federal Government.

To enlist state legislators from all parties and members of the private sector who share ALEC’s mission.

To conduct a policy making program that unites members of the public and private sector in a dynamic partnership to support research, policy development, and dissemination activities.

To prepare the next generation of political leadership through educational programs that promote the principles of Jeffersonian democracy, which are necessary for a free society.

The mission will be accomplished through a non-partisan, public and private partnership between ALEC’s legislative and private sector members in the specific subject areas assigned to the Task Force by the Board of Directors.

II. TASK FORCE RESPONSIBILITIES

A. Task Forces have the primary responsibility for identifying critical issues and developing ALEC’s official policy statements and model legislation appropriate to the specific subject areas of the Task Force.

B. Task Forces serve as forums for an exchange of ideas and sharing of experiences between ALEC’s state legislator and private sector members.

C. Task Forces are responsible for developing and sponsoring the following educational activities appropriate to the specific subject area of the Task Force:
   - publications that express policy positions, including, but not limited to State Factors and Action Alerts;
   - educational communication and correspondence campaigns;
   - issue specific briefings, press conferences and press campaigns;
   - witness testimony and the activities of policy response teams;
   - workshops at ALEC’s conferences; and
   - specific focus events.

D. The Executive Director is to Task Forces are responsible for developing an annual budgets, which shall include expenses associated with Task Force meetings and educational activities. A funding mechanism to finance all meetings and educational activities proposed by Task Forces must be available before they can be undertaken.
III. GENERAL PROCEDURES

A. Requests from ALEC members for policy statements, model legislation and educational activities shall be directed by the Executive Director to the appropriate Task Force, or the Board of Directors if the issue does not fall within the jurisdiction of any Task Force. The appropriate Public and Private Sector Task Force Co-Chairs determine the agenda for each Task Force meeting, and the meetings will be called and conducted in accordance with these Operating Procedures.

The Director of Policy with the consent of the Executive Director assigns a model bill or resolution to the most appropriate Task Force based on Task Force content and prior jurisdictional history 35 days before a Task Force Meeting. All Task Force Co-Chairs will be provided an email or fax summary of all model bills and resolutions 35 days before the Task Force meeting.

If both the Co-Chairs of a Task Force are in agreement that they should have jurisdiction on model legislation or a resolution, the legislation or resolution will be considered by the Task Force. If the other Task Force Co-Chairs believe they should have jurisdiction or if the author of the model bill or resolution does not agree on the jurisdictional assignment of the bill, they will have 10 days after the 35-day mailer deadline to submit in writing or by electronic appeal to the Director of Policy their intent to challenge the jurisdiction assignment. The Director of Policy will notify the Executive Director who will in turn notify the National Chair and the Private Enterprise Board Chair. The National Chair and the Private Enterprise Board Chair will in turn refer the matter in question to the Board of Directors Task Force Board Committee. The Director of Policy will establish a conference call for the Task Force Board Committee co-chairs, the author, the affected Task Force Co-Chairs and the Director of Policy at a time convenient for all participants.

The Task Force Board Committee Co-Chairs shall listen to the jurisdictional dispute by phone or in person within 10 days of the request. If both Task Force Board Committee Co-Chairs are in agreement that the Director of Policy made an incorrect jurisdictional referral, only then will the model bill or resolution be reassigned to a committee as they specify once agreed upon by the National Chair and the Private Enterprise Board Chair. The bill or model resolution is still eligible to be heard in whatever Task Force it is deemed to be assigned to as if submitted to the correct Task Force for the 35-day mailer. The National Chair and the Private Enterprise Board Chair decision is final on this model bill or resolution.

Joint referral of model legislation and/or resolutions are allowed if all the affected Task Force Co-Chairs agree. All model legislation and resolutions that have been referred to, more than one Task Force must pass the identical language in both Task Forces within two consecutive Task Force meetings. It is at the Task Force
Co-Chairs discretion how they will handle the hearings of the model legislation or resolution. Both sets of co-chairs have the ability to call a working group, subcommittee, or simply meet consecutively or concurrently if necessary.

If the Task Force co-chairs both agree to waive jurisdiction, they may do so as long as another Task Force still has jurisdiction.

The National Chair and the Private Sector Board Chair will rely upon the Task Force Board Committee Co-Chairs for advice and recommendations on model legislation or resolutions when no jurisdiction in any of the existing Task Forces in operation can be found. The Task Force Board Committee Co-Chairs will work with the Executive Director and the Director of Policy to identify public and private sector Task Force members (not alternates) from the existing Task Forces should their expertise be of assistance to the Task Force Board Committee in reaching a determination and recommendation for approval by the National Chair and the Private Enterprise Board Chair.

B. The National Chair and the Private Sector Board Chair will rely upon the Task Force Board Committee Co-Chairs for advice and recommendations on model legislation or resolutions when no jurisdiction in any of the existing Task Forces in operation can be found. The Task Force Board Committee Co-Chairs will work with the Executive Director and the Director of Policy to identify public and private sector Task Force members (not alternates) from the existing Task Forces should their expertise be of assistance to the Task Force Board Committee in reaching a determination and recommendation for approval by the National Chair and the Private Enterprise Board Chair.

C. The Board of Directors shall have ultimate authority over Task Force procedures and actions including the authority to create, to merge or to disband Task Forces and to review Task Force actions in accordance with these Operating Procedures. Nothing in these Operating Procedures prohibits the Board of Directors from developing ALEC policy; however, such a practice should be utilized only in exceptional circumstances. Before the policy is adopted by the Board of Directors, it should be sent to the Public and Private Sector Task Force Co-Chairs under whose jurisdiction the matter falls for review and comment back to the Board of Directors.

D. The operating cycle of a Task Force is two years. A new operating cycle begins on January 1 of each odd numbered year and ends on December 31 of the following even numbered year. Task Force activities shall be planned and budgeted on an annual basis within each two-year operating cycle.

E. At the ALEC Annual Meeting, each Task Force will be responsible for determining an operating budget for the succeeding calendar year. The Executive Director will notify the Task Force Co-Chairs, at the ALEC Annual Meeting, what inflation factor will be used by the Task Force to determine the operating
and programming budgets. Task Force membership and budget information will be reported to the Executive Director by the Public and Private Sector Task Force Co-Chairs. The Executive Director will present this information to the Board of Directors at its regular fall meeting.

F. If a Task Force is unable to develop an operating budget, the Board of Directors will determine whether to continue the operations of the Task Force. This determination will be made according to: (1) the level of membership on the Task Force, and (2) the need for continued services developed by the Task Force for ALEC.

G. The Board of Directors shall have the authority to allocate limited general support funds to finance the annual operating budget of Task Forces that meet the requirements prescribed in Section III (E).
